

Superintendent's Message

Welcome and thank you for your interest in Lee County Schools. I hope you will find our website informative and user friendly. As you can see, our students and teachers are involved in activities that promote student achievement.

Our district staff, school board members and community members place a high value on the education of our students. Parents, teachers, staff and volunteers are vital to our success. We will continue to collaborate and work diligently to ensure that our students achieve and are college and career ready.

Should you have any questions or need additional information concerning our school programs, please contact us at 803-484-5327.

Thank you again for your interest and for visiting our website.

Respectfully,

Wanda Andrews, Ed. D.

Superintendent
